

Acceptance form TandTop dental care insurance

Do you want to take out TandTop dental insurance for yourself or one or more other persons?
Please note that TandTop dental insurance is subject to a number of acceptance criteria.
Therefore, in order to qualify for TandTop dental insurance, you must confirm the following:

TandTop dental care insurance declaration

1. No person or persons for whom I want to take out TandTop dental insurance expects to be needing one of the following treatments within one year of the inspection date of the TandTop dental insurance:
 - replacement of six or more fillings;
 - treatment for gum problems;
 - treatment in connection with a jaw abnormality;
 - treatment for implants, bridges, or two or more crowns or tips.
2. Every person for whom I want to take out TandTop dental insurance has been for an annual dental check-up in the last two years. I can produce documentary evidence to demonstrate this.
3. I understand that by making an untruthfully statement the right to compensation lapses.
In that case, the insurance will be terminated.

I declare that I meet the acceptance criteria for TandTop dental insurance
